

REMARKS

By the present amendment, Applicants have added claims 123-142, therefore, claims 113-142 are pending in the application. Entry of the above-noted amendments is respectfully requested.

Claims 123-142 of the present application have been copied from U.S. Patent 6,657,758 to Harold R. Garner, issued on December 2, 2003. Specifically, claims 123-142 of the present application correspond in scope and content to U.S. Patent 6,657,758, claims 1-20, respectively.

On the basis of the foregoing, consideration of all claims in the subject application is respectfully requested.

Respectfully submitted,
Calvin F. QUATE et al.
